Important Information for Working Press

Mandan Rodeo Days is happy to accommodate working press that wish to cover the rodeo and related activities. We are glad to suggest exclusive feature story ideas and to work with you on developing your story ideas.

- Please let us know by phone, text or email if you plan to come to Dacotah Community Park at any time during rodeo week. Depending on the time you plan to arrive, different activities and individuals may be available for interviews, photos or video.
- If you plan to come during slack competition or a rodeo performance, please come to the WEST gate security office and ask for Johna Cravens. The security staff will alert me and I'll be happy to get you where you need to be to cover the rodeo. Please have credentials from your media outlet for our review, if needed.
- No photography is allowed inside the arena, except by the Professional Rodeo Cowboys Association member photographer hired by the rodeo. Any photographer wishing "backstage" access must be accompanied by a rodeo representative for safety and insurance purposes.

I will be available to assist you most of the time, but should you need immediate assistance, please ask any rodeo committee member (wearing a Wrangler Patriot shirt in red, white, blue or Khaki) and they will be glad to contact me.
